

SHURJOINT PIPING PRODUCTS

A Shurjoint Group Company

Press Release (June 28, 2010)

14" through 24" couplings and flange adapters are now available in two-segment design from *Shurjoint*

Dear *Shurjoint* customers,

We are pleased to announce that 14" to 24" (or 26") couplings and flange adapters are now available in two-segment design from *Shurjoint*.

Model 7707N Flexible Coupling (14" – 26")
Model 7041N Flange Adapter – ANSI Class 125/150 (14" – 24")
Model 7041N Flange Adapter – PN16 (350mm – 600mm)
Model 7041N Flange Adapter – BS 10 Table E (14" – 24")
Model R-80 Ring Joint Coupling (14" – 24")

Model #7707N

Model #7041N

Model #R-80

The multi-segment couplings and flange adapters *Shurjoint* currently supplies for sizes 14" and above require longer time and better skills for proper installation. The new two-segment design greatly reduces the hassle and thus are more economical than the multi-segment type.

For further details, please refer to submittals Nos. C-23, D-10 and O-04 respectively, or contact your local representative.

Sincerely,

Howard Hagiya
President
